## Key Information

- Applications open: 22<sup>nd</sup> January 2025
- Submission deadline: 30<sup>th</sup> April 2025
- Recipient announced: 30<sup>th</sup> June 2025
- Funding available: Up to AUD \$50,000
- Duration: 18 - 24 months

## Eligibility Criteria

To apply for the 2025 **Professor Ian Olver AM Psycho-Oncology Research Acceleration Grant for Early Career Researchers**, applicants must meet all eligibility criteria.

Please indicate if the following conditions will be met:

- ☐ Has an ethics application has been submitted for the proposed project? \*
- ☐ Does your research involve Adolescents and Young Adults as its main priority?
- ☐ Does your research involve at least 2 countries?
- ☐ Do the activities in your research project have the potential to contribute to the development of the psychosocial care for AYAs living with cancer in the near or foreseeable future?
- ☐ Will the research be carried out in accordance with your institutes' policies or equivalent for the proper conduct of research in relation to ethics and good scientific conduct?
- ☐ Is adequate infrastructure available to enable the research to be completed?
- ☐ Is the lead researcher categorised as Early Career (< 5 years since completing PhD or equivalent)? \*
- ☐ Did at least one member of the research team attend the *2024 Methods, models, and measuring what matters in AYA psychosocial oncology research workshop*?

*\*Please attach evidence.*

<b>PROJECT SYNOPSIS</b>
Background

<p>Discuss the current knowledge and gaps in the research area. Include information about the need for the proposed study and refer to the AYA research priority documents that guided the study question.</p> <p><b>(½ page to 1 page)</b></p>
<p><b>Details of proposed project</b></p> <p>This should include:</p> <ul style="list-style-type: none"> <li>• <i>Aims and objectives</i></li> <li>• <i>How will AYAs be involved in the development of the project</i></li> <li>• <i>How will the project have a positive impact on AYAs</i></li> <li>• <i>Study methodology and design</i></li> <li>• <i>Project milestones and timeframes over the grant period: Including 6-monthly and final report milestones.</i></li> <li>• <i>Feasibility – please discuss the strategies that you will use to ensure that the project will be able to incorporate an international research methodology. This may include risk mitigation strategies for barriers/impediments that have a high likelihood of occurring and/or will significantly impact your ability to achieve your aims.</i></li> </ul> <p><b>(1 - 2 pages)</b></p>
<p><b>Project plan and collaboration</b></p> <p>Please address the following:</p> <ul style="list-style-type: none"> <li>• <i>How will the outcomes of these activities strengthen collaborative arrangements with international institutions?</i></li> <li>• <i>Please demonstrate how the proposed activities and responsibilities will be distributed between the collaborating institutions?</i></li> <li>• <i>Will the proposed activities contribute to the development of an internationally feasible research project?</i></li> </ul> <p><b>(1/2 page — 1 page)</b></p>

---

<p><b>Mentoring and grant support</b></p> <p>Please address the following:</p> <ul style="list-style-type: none"> <li>• <i>What support do you require for your proposed project?</i></li> <li>• <i>What will the funding and international research program contribute to your project?</i></li> </ul> <p><b>(1/2 page — 1 page)</b></p>

Budget		
Item	Purpose/activity	Expenditure
<b>Staff</b> Include position, FTE for project		
<b>Other</b> For example, communication, travel. Provide details and justification.		
<b>Total</b>		

Total expenditure for staff must be at least 50% of the total budget.

Total must not exceed \$50,000 AUD.
